RükTECH Bright Silver Ceramic

RükTECH Introduces its Race Proven Bright Silver Ceramic Coating. Are you replacing your headers or restoring a car and want an eye catching finish under your hood? Ruk Bright Silver is the ceramic coating you want to give you a lasting eye catching look. Snowmobile riders enjoy the bright silver finish and they don't need to worry about it like other coatings. Unlike polished ceramic coatings this coating doesn't need to be maintained and it doesn't discolor as easily if over heated. This coating is excellent for heat management, corrosion protection, and performance increases. This coating is heavily used by racers that want to have a coating that performs, but looks nice as well. If you want a "bling" look and you want it to stay there go with Ruk Bright Silver ceramic coating. Call today to see how Ruk Bright Silver will make your street, race, off road, or project car look good for years to come. **NOTE:** We don't recommend polished ceramic coating for any application due to discoloration issues and timely maintenance.

**Polished
Aluminum**

**Bright
Silver**

Benefits of RükTECH Bright Silver Coating:

- Great for Restorations
- Increases Component Life
- Perfect for ATV's, Sleds, and Motorcycles
- Great Alternative to the Polished finish which tends to discolor
- Reduces Operating Temperatures on exhaust components
- # 1 Pick for Snowmobile Exhaust Systems
- Superior corrosion protection from salt and rust
- Performance Gains over non-coated parts
- Better than Polished because there is no timely maintenance
- Excellent Scratch and Impact Resistance
- Will work on New and Used Components
- Will not turn Blue, Oxidize, or Stain Like Chrome or Paint
- Peace of mind that your Parts are Protected and Performing

Parts You Can Coat With RükTECH Bright Silver Coating:

- Headers and Exhaust Manifolds
- Intake Manifolds
- Any Exhaust Piping including sleds and ATV's
- Charge Piping
- Intercooler Piping
- Low Boost Turbo Applications
- Any Steel or Aluminum Substrate
- Any Performance Application
